Except for surf competitions anglers may weigh in fish whole, or partly or completely gutted and cleaned. However no allowance will be made for lost weight in competition points. If claiming a record fish capture you should weigh your fish whole but this is not compulsory.

Note fish must been gilled and gutted for Surf competition weigh-ins.

SAC Snapper Only Competitions: Minimum eligible length for weigh-ins is 40 cm. For all other competitions snapper/pinkies must be a minimum length of 30 cm to be eligible for weigh in.

Extended minimum lengths for Club Competitions: Australian Salmon =30 cm. Snapper =30 cm, Flathead (except Dusky) =30cm Whiting (all) =30 cm Mullet =30 cm, Trout/Salmonoids =30 cm.

Other Club minimum lengths:

All eligible sharks = 1 meter. All other eligible fish = 25 cm. (Squid/Cuttlefish tube length 20 cm)

Targeted Snapper, Gummy and Whiting Competitions

This season members may weigh in other fish species in these competitions in addition or instead of the targeted fish. However bags containing target species will always attract the higher points.

Bunning's BBQ and Working Bees. All members are urged to volunteer 3 hours for these important club activities.
